Profile

BCA graduate with hands-on experience in MERN Stack Development and training in AI/ML, with a strong foundation in Python, machine learning, React.js, Node.js, Express.js, MongoDB. Experienced in developing responsive web applications, REST APIs, and practical software projects. Passionate about building scalable applications and applying AI/ML concepts to solve real-world problems. A quick learner with strong problem-solving skills and an eagerness to contribute to a growth oriented technology team.

Professional Experience

MERN STACK INTERN, *Techolas Technologies*

06/2025 – 12/2025

- Developed responsive UI components and optimized application performance. Calicut
- Collaborated using Git/GitHub and assisted in debugging and testing.
- Participated in code reviews and implemented feedback to improve code quality and maintainability

Skills

AI/ML: Python, Machine Learning, Scikit-learn, TensorFlow, Matplotlib, Pandas, NumPy

Web Development: HTML5, CSS3, JavaScript, React.js, Bootstrap, Node.js, Express.js

Database & APIs: MongoDB, REST APIs, JWT

Tools: Git, GitHub, VS Code, Excel

Education

Bachelor of Computer Application, *University of Calicut*

2022 – 2025

Calicut

Higher Secondary Education, *Umbichy Haji HSS*

2021 – 2022

Calicut

Projects

Intelligent Employee Attrition Prediction & HR Analytics

- Developed a machine learning model to predict employee attrition using Python and Scikit-learn.
- Performed data preprocessing, exploratory data analysis, and feature analysis using Pandas and NumPy.
- Trained and evaluated classification models to identify employees at risk of leaving.
- Created data visualizations using Matplotlib/Seaborn to analyze workforce patterns and model insights.

CraftMate, *Handmade Craft Learning & Community Platform*

- Developed a full-stack craft learning and community platform using the MERN stack.
- Developed responsive UI components to provide a consistent experience across desktop and mobile devices.
- Implemented REST APIs, JWT authentication, and Secure PayPal integration.
- Designed user-friendly interfaces for browsing tutorials, purchasing content, and showcasing craft projects through a community driven platform.

Certifications & Courses

- AI & ML – ASAP Kerala (Python, Tensor flow, Scikit-learn)
- MERN Stack Development
- AI Bootcamp

Languages

Malayalam, English, Hindi
